“ *Bill was always so good to me, he delighted in being with people, he always took time and interest. He was a lovely man, generous, thoughtful, kind. We have lost one of the exceptional people on this planet, Bill is a bright spirit, I hope Phyllis that and his love for you helps you in this deep time of sorrow and gives you sustenance. The Notre Dame Nuns are praying for you and Bill and your family. I am praying this evening for you and Bill, and will keep you both in prayer daily. I don't know what I can do for you, but know you will be in my thoughts for a long time now. If there is anything I can do, please let me know. I love you, Moe*

“ *Phyllis, Our thoughts and prayers are with you and your family at this difficult time of sorrow, but we know that our Lord Jesus has promised to give us the strength to get through times like this and to stay by our side if we just ask Him to. “ *Dear Phyllis,*

I am praying for you at this very difficult time. I lost my first wife many years ago, and I know that this is a very sad time for you. May God strengthen you as you adjust to life without Billy. Remember that you have friends, including high school classmates, who are very concerned about you.

With love,

“ Dear Atkisson Family,

I would like to express my sincere condolences to your family in your time of loss. I wanted to take this opportunity to share the hope from the bible about a time when we will no longer lose loved ones in death, and the ones that have died, we will be able to see again.

*The link below provides suggestions on coping with grief also comfort through your personal copy of the bible. A scripture that i find comforting is found at 2 Corinthians 1:4 where it states
â€[God] comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God.â€*
