“ *I enjoyed all the years of teaching with Bill and all the guidance he gave me. One of the memories I have of him are the delicious melons he would bring to school to share. May God be with the entire family at this time and give you comfort. Paul and Jan Kelp*

“ *Dear Harriger Family
May God's comfort be yours during this difficult time. Our friendship with Bill goes back many years. It began back with both our parents being missionaries with ASSU. Bill was a great roommate of Ward's at Grace. Our friendship continued when we were both members at Harvey Oaks. We will all miss him.
