“ *Maureen and family, so sorry to hear of Bill's passing. My thoughts and prayers are with you during this difficult time. I have so enjoyed the time I spent with Bill at the Infusion Center. His stories and sharing about his family who he was so proud of. He told me often how lucky he was to have you Maureen to share his life with. Blessed be his memory. Vicki Immanuel Infusion Center.*

“ *Well Bill I'm sure gonna miss our lengthy conversations, Oh wait I mean our lengthy snoozes at the infusion center! I'm so glad that the one day Mo came back you sent her down to get a Rueben and both you and Maureen liked it! Sure never wanted to steer you in a bad lunch! You will be missed, oh if you could say hi to my dad I'm sure he's excited to have a UP buddy coming home to talk to. It was a nice small world that day when we spoke of the military and then come to find out you both were at UP also! May your memory be a blessing!*

I remember having a Reuben at a restaurant across the street from the cemetery where he is buried. This is a family favorite, our dad, Bill and myself all liked a good Ruben.

“ I remember I came home for a visit I think it was in the 90's. Mom, Janice and myself decided to see the Union Pacific museum. It was very full of history and we really enjoyed the visit. The best part was when Bill and Mo stopped by from their offices to say hi and show us around. I remember one name from their time at UP, it was Don Tiperi (?), he was a nice outgoing person.
