“ *We send our belated sympathy for the loss of your father. Bill was a wonderful friend to our family and we spent a lot of time with him. Hunting, fishing and enjoyed a wonderful long term friendship. Gary and Bill worked together for many years at Omaha Testing Laboratories in Omaha. We were searching to see if he was on facebook so that we could contact him. We came across his obituary and we were sorry to hear that he had passed away. He will always be remembered as a treasured family friend. Gary and Dixie Laughlin and sons*

“ *Please accept our deepest condolences in your time of sorrow. We considered your father a good friend. His knowledge of muzzleloading was so vast and we loved listening to him talk about it. Dennis said he learned so much from him, not only about muzzleloaders but about modern firearms as well. We deeply regret that we can not attend the funeral so we could personally show our respect. Dennis just finally had his back surgery that he waited all last year for and I have to be in court at 2:00 in Plattsmouth. So please accept this as our way of honoring a great muzzleloader, friend and father. Our hearts are with you. With respect, Dennis & Cindy*
