“ *I would like to extend how sorry I was to hear of Bill's passing, Being from the same neighborhood and growing up with Bill I know how great of a person he was and what his friend's meant to him. I would like to reach out to his father Jerry and his brother Frank at this time of sorrow. I know the faith of the family and they know Bill is with our heavenly Father now, no words I can say will take the pain that your feeling away, put all our faith in God and together remember the good times and know we will see our friend, your son, your brother again...*
