“ *I've never met a more giving person in my life! And it did not matter if you were kin or a friend or a neighbor, he was always willing to help and always came through on his word. As soon as you stopped by he would offer you a pop and ask how everybody was doing. He genuinely cared about you. You could see it in his eyes and how he treated you. I wish I would have told him how much he meant to Adrian and I. He meant the world to us. He and JoAnn are who we hope our marriage will represent. No more breathing issues, no more heartbreak. Love you Billy. Thank you for everything.*
