“ *May Heavenly Father comfort all of you on the loss of "Dad".....I was shocked and devastated when I recieved the news. My heart goes out to you....as I pause to reflect on my own cherished memories. I felt a special closeness and bond with Bill during my time caring for him...I truly loved him and will forever miss him...thank you for allowing me the great honor of being a part of Bill's and your lives..even if only for a short time.... God Bless.... Kat*
