“ *We just heard of Zelda's passing and are so sad and shocked. She always made us smile. We thought the world of her and missed her when she went to work in Yutan instead. RIP Zelda.*

“ Amanda and Patrick, I am so very sorry for your loss, words cannot express how sorry I am! Amanda your words to me a few months ago when I lost my dad helped and I hope in some small way these word bring some comfort to you. Love always! I will miss playing farmvill with your Mom!

Lord, thank you for being my rock and my strength. I don't know why this happened. I know you have a plan for each of us. But right now I'm hurting, and that hurt runs deep. Lord, I know that you are a comfort for me, and I pray that you continue to be by my side through this time. It feels right now like this hurt will never go away. It feels right now like I'll never come out of this pain. Everyone keeps saying that time will ease what I'm going through. I feel angry. I feel hurt. I feel alone. I don't know if time will help me, but I know you will. I cannot imagine going through this without you holding me up.

Sometimes, Lord, it's just hard to look at tomorrow, and I just don't know how I will get through the day without my mom in my life. Lord, I just ask for you to be here for me. I pray for you to give me strength to take another step. I need you to help me cope with the loneliness and to move forward in my life. Please, Lord, help make each day a little easier. Continue to provide me with hope for tomorrow. I know I will never stop missing my mom, but I hope that you are holding mom closely. Thank you, Lord for always being here for me. In Your Name, Amen.

“ I was heartbroken to hear of Zelda's passing. She was a strong women who loved her family. She touched the lives of many people with her beautiful smile, silly laugh and arms that we're open and ready for a warm hug. She was an AMAZING women that will be missed by so many. I'm sending prays for healing to the family that she talked so much about.

“ I was so saddened to learn of the passing of my dear cousin. Although I hadn't seen Zelda in about 20 years, we reconnected on facebook a few years ago and were able to share in each other's life a bit through pictures, posts and games. Most of my memories with Zelda go way back to times spent at granny & grandpa's house in Napa. My prayers and condolences go out to her family and siblings as you grieve during this sad time. God bless you all.

“ I am so very sorry to hear of Zelda's passing. I can't say I had the chance to get to know her that well, but I do know that she loved our Traci almost like one of her own. I treasure the loving message she wrote in her sympathy card for Traci, and I saw in her eyes that she shared our heartbreak when we lost her. I know in my heart Traci was right beside God with arms outstretched to welcome her to paradise. Our thoughts and prayers are with all of you.

“ I pray that the many happy memories of Zelda's life with all of you will, with time, overcome the sadness and pain. I will never forget her infectious laugh and smile and how she welcomed and treated us friends as part of the family. She had many qualities that were to be admired, but the one thing that stands above all else is the love and dedication she had for her family. She'll be deeply missed by all.

“ *My deepest sympathies to Tim, Donovan, Amanda, Laurie, & Patrick. I feel so fortunate that I got to be part of Zelda's life. I have so many wonderful memories that I will truly treasure. I know she will be doing one of the things she loved best.... Watching over her children and grandchildren. She told me she just loved watching the kids play. I am so glad that we got to spend time together recently. My love to you all!*

“ *It's always the "special ones", it seems, that God takes from us. Know that your mother lived and breathed Family, you were so very lucky that God chose the two of you as her" gifts of joy "... The grand-babies, as you know, were her heart.. She's at peace now, no more hurt, no more pain, She's Home now, waiting for us to join her.. what a celebration that will be !! .. xoxo*

“ Amanda, Patrick, Donovan, Laurie and family,
I am saddened to hear of the passing of your Mother. I pray for you during this time and the days to come.

I share with you something that was once shared with me.....

To my dearest family, some things I'd like to say...but first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here badly; you're part of my plan. There's so much that we have to do, to help our mortal man." God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the day's chores put to flight. God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is over. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too...that as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain, then you can say to God at night....."My day was not in vain." And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When you're walking

down the street, and you've got me on your mind;I'm walking in your footsteps only half a step behind.And when it's time for you to go.... from that body to be free,remember you're not going.....you're coming here to me.
